

Statement from Irwindale Speedway & Event Center

With the health of fans, staff and competitors in mind, Irwindale Speedway & Event Center has made the decision to postpone all events through the end of March.

"Our number one priority is always the safety of our fans, staff and competitors here at Irwindale Speedway and Irwindale Dragstrip. Following a directive from the California Governor's Office regarding restricting gatherings of 250 or more people, along with the precautionary action taken by other venues across the country this past week, we feel the appropriate response is to postpone all activities through the end of March. This was a difficult decision to make, but we feel it was the best course of action for everyone involved. As we look towards our great schedule of events in April and beyond, we ask for patience and understanding from all of our wonderful fans and competitors during this process." said Irwindale Speedway & Event Center President Tim Huddleston. "Our thoughts right now are with the Southern California community as we navigate these trying times, but we look forward to seeing everyone in April as we return to action at Irwindale Speedway & Irwindale Dragstrip."

Ticketholders will be able to use their tickets towards future events as outlined below.
